# Frequently Asked Questions

## **How do I book a service with Craft And Draft?**

Call or email us to check our availability and where you would like to host your event. Have your event size (attendance), time frame, and package preference available for us so we can properly quote you. Once we have agreed on a package and price, we will send you an invoice and a service agreement which is to be signed and returned to us with a 75% deposit. The remaining deposit is due no later than 7 days before the event date. Cash Bar and Bartending Services require payment in full and it is not refundable.

## **What is included in Open Bar services?**

This service includes all items named above as well as bar linens, bar decor, and signage. Contact your venue to be sure they have a bar. If they do not have a bar you can rent a bar from us for an additional cost. Glassware, champagne toasts, and any products not named above are available for an additional fee.

## **How do I select my beer and wine for my event?**

We can customize your beer and wine list as you prefer, or we can build one for you. Our preferred option is three beers and two wines, but we have a suggested number of offerings available based off your event attendance and time frame. Decisions on beer and wine can be discussed in person during your pre-event meeting about one month prior to your event.
